The news update from Crimson Hill Support

Number 57, June 2016

Hi everyone,

In May we had a very sad event in that Tim whom we had supported for six and half years sadly passed away. I know that everyone who worked with him miss his mischievous behaviour, strong willed decision making and his wonderful deep belly chuckle. The family have been really touched by how much we cared about him, and I want to say a huge thank you for all the extra special support all his team gave him, to ensure that he got the most out of life and was happy and settled in his home. All of you went that extra mile for him, and made such a positive difference to his life.

Take care, Fliss
