The news update from Crimson Hill Support

Number 73, September 2018

Hi everyone,

This issue will focus on some changes that are happening within the structure of Crimson Hill Support. It is an exciting time for us as we have decided to appoint a new Registered Manager for the Domiciliary part of the organisation.

We would like to congratulate Nick Jones who has been successful in gaining the post and will take up his new post on the 1.11.18. However there will be a three month transition with Fliss.

Nick has worked for Crimson Hill Support for eight years and has worked his way up from support worker. During this time he has worked with a lot of different service users and developed some excellent skills, and experience.

He has also achieved his Diploma Level 5 in Leadership for Health and Social.

Nick will be registered with CQC as the Registered manager, whilst Fliss will remain the Nominated Individual with CQC.

Fliss will continue to have an active role with the organisation, but will be focusing on different aspects of the company.

Nicks promotion means that we have a vacancy for Team Leader and we are currently recruiting for this from our Senior Support Workers, which in turn will leave a vacancy for a new Senior.

It may be that the Team Leader or Senior Support Worker for particular service users will change as a result of the promotions, but we will keep you all updated. Please get in touch if you would like further information.

Goodbye and Good Luck

A sad event is that Ruth who has been our Finance Officer for over 7 years is leaving us.

She is spreading her wings and going to an accountancy firm to be a Trainee Accountant.

Ruth has been a valuable addition to our team in the office and we will all miss her a lot.

However we wish her lots of luck in her career development.

New Respite Location

Some of you may use or work in our respite flat in Taunton - Sutherland Court.

However we know that due to the demand for it, it is sometimes difficult to fit in all the support times that people want due to the volume of bookings.

Therefore we are renting a new property in Taunton which has two bedrooms, with its own parking and enclosed garden, in a quiet area.

It will be available from around the middle of October.

If you want to use it then please give your Team Leader a call and they will check to see if it's free. Some dates and times are already booked.
