The news update from Crimson Hill Support

Number 77, August 2019

Hi everyone,

It seems really strange to think that we are way over half way through the year! School holidays are well under way, and we have started supporting two new people. After our mini heat wave it looks like the weather is back to how we recognise British weather to be ... unpredictable and a little bit of everything.

Many thanks Fliss

Goodbye and Good Luck

It is with great sadness that I need to let you all know that **Jason McFaulds** is leaving Crimson Hill Support. He has made the big decision to move back to Scotland to live with his ageing parents. During his years with us he has worked with many different service users, and staff and has left his mark with them through his empathy, motivation, skills, and sense of humour (albeit a bit dodgy at times), plus his extensive shoe collection. I know you will all wish him the very best for the future.

Thank you Jason for all your contribution to CHS, good luck. Best wishes Fliss and the team

Holiday requests

Please make sure you submit your AL request in plenty of time. September and October are already full. So get those requests in urgently for the rest of the year up until March 31st 2020. Remember there is no time limit on submitting request so you can put one in for next year now to make sure you get the weeks you want. It is first come first served so please plan ahead so that you are not disappointed.

Policy and Procedure CD's for 2019/2020

All of the Policies and Procedures for 2019/2020 have been reviewed and your new CD's are waiting in the office for you. Please make sure that when you pop in you pick up a new one and sign to say you have got it.

There are some new policies, and some changes so make sure you are aware of how they have changed.

Thanks Fliss
